

All Unions and Associations in BSNL Kerala Circle

No. AUAB/Kerala/2018-21/08

dated 05.02.2019

To

Dr.P.T.Mathew
CGMT BSNL,
Kerala Circle, Trivandrum.

Sir,

Sub: Non remittance of recoveries made from the salary -reg.

We wish to bring to your kind attention that the recoveries made from the employees are not being remitted in time to the concerned organizations during the last few months. This includes deduction of HBA,GPF,EPF, Income Tax and out of column recoveries like society dues, LIC, PLI, various bank loans etc. In most of the institutions, penal interest is system generated, and hence delayed/non remittances result in penal interest to the staff.

Employees are not able to withdraw advance from GPF as the amount recovered from employees has not been remitted to DoT. LIC intimates through messages to our employees that claims will not be entertained due to the non remittance of the amount. Penal Interests were charged by the Banks and P&T societies along with next month recovery amount. HBA interest remitted to BSNL for premature closure due to some specific and compelling reasons is not getting back their original deed as the amount was not transferred to DOT.

The issue was also discussed with you a week back by AUAB. No favourable action is taken to remit the amount in time to the concerned Organisations. It was instructed by BSNL CO vide letter dated 11.01.2019 to take corrective action to ensure that the amount deducted from the salaries of employees towards loan installments due may be remitted timely.

The meeting of AUAB Kerala Circle held on 01.02.2019 discussed the issue and decided to start agitational programmes to settle the issue. Hence it is decided to organize **protest demonstration in front of CGM/GM Offices on 08.02.2019.**

With Regards

Yours faithfully

/C.Santhosh Kumar/
Convener AUAB, Kerala.
