Respected Sir,

**Sub: Posting of LICE JTOs (VY 2015-16) on completion of Phase-I training reg:-**

Kindly recall the meeting held with your good self on 9/11/2017, in which we discussed the posting of JTOs who will be completing their Phase I training on 30-11-2017. In this connection we would like to submit the following for your information and kind consideration.

New batches of 111 LICE JTOs will be completing their Phase I training on **30-11-2017** and they are distributed evenly from all SSAs. It is pertinent to note that the persons undergoing training were working in their respective BAs in core areas and their absence seriously affect the development works of the BAs, particularly the field unit is suffering much in this regard. Moreover large number of these Trainees came to Kerala Circle on Rule 8 just before the LICE and rejoined their family. Further immediate disturbance in their family will definitely reduce the productivity of the said candidates.

In this context, it is requested that JTOs who will be completing their training on 30-11-2017 may be posted in their respective BAs itself so that we can overcome the shortages presently facing by the BAs and considerable amount of TA/DA can be saved and also family disturbance to the employees owing to transfer can be avoided.

Moreover, it is also requested that JTO's posted in the month of February 2017, majority of them were posted in northern parts of Kerala, and some of them have requested for posting back to their hometown owing to medical/family problems may also kindly be considered.

Sincerely Yours

**T Santhosh Kumar**
