No.SNEA/Kerala/2018-19/II/84 dated 10/03/2020

To
The CGMT,
BSNL, Kerala Circle
Trivandrum

Sir,

Sub: Posting of Executives/Staff in Lakshadweep islands.

We would like to invite to your kind attention to the following facts on the subject referred above.

At present one DGM, 4 JTOs, 4 JEs, 10 TTs and 1 ATT are working in Lakshadweep Islands under 10 exchanges with 11846 DELs (details enclosed). It can be seen that the staff available in the in this hard tenure area in Post-VRS scenario is much better than normal stations in mainland. However in the absence of SDE/ DE some operational difficulties may be facing which can be easily met by giving role of SDE to one JTO as being done in main land.

Further it is also brought to your kind notice that transmission systems in all islands are manned by Ernakulum BA except at Agathi and Kavarathi. In Kavarathi one SDE and one JTO and for Agathi one JTO and one JE are working for transmission maintenance alone in addition to housekeeping under STR. If the maintenance of transmission systems are taken over from STR by Circle along with the staff as done in other islands the available man power can be better utilized. If the proposal for taking over of Transmission systems from STR is not been considered at least one JE/JTO may be repatriated to circle for maintaining service in Lakshadweep islands.

In case if it is proposed for any posting from mainland, volunteers may be called from DEs or from SDEs as DE LA from among SDEs so that they can get the benefit of exemption from long stay intra circle/ inter circle transfers.

Thanking You

Sincerely Yours

Jithesh.K.P
Circle Secretary
