Sub:- Consideration of Transfer Requests reg:-

Sir,

We would like to submit the following for your information and kind consideration. Around 11 executives have completed their 2 years longstay transfer tenure in June2018 and 7 executives are going to complete their tenure in the coming months.

Out of the above 18 executives, 5 of them were promoted as AGMs recently and were posted in their present working BA instead of posting them to their Home BA.

During discussion with Management we pointed out their completion of tenure period. However the Administration has not considered their request to Home BA. For the last 14 years, Kerala Circle has issued the transfer orders as a single order and the officials were relieved to their Home BA as and when they are completing two years longstay tenure. However this year, administration has deviated from that practice and every month association has to approach administration to issue orders to those completing 2 years tenure.

In this context we humbly request your goodself that transfer orders may be issued at a stretch to those who completed 2 years tenure period and also to those who are going to complete 2 years in the coming months. The orders may be issued at the earliest to avoid further chaos situation in long stay transfer cases.

Sincerely Yours

T.Santhosh Kumar
