Respected Sir,

**Sub: Releasing of Civil/Electrical Executives for BA Works reg:-**

We appreciate the proactive steps being taken by the Circle Administration under the guidance of our respected CGM for deployment of Civil/Electrical executives to telecom core area till the restructuring process is over. This action has yielded fantastic results in many BAs in maintenance, operations of such assets as well as revenue generation areas like asset management. But, some BAs have failed to understand the concept behind this deployment and to utilize these experienced and highly qualified engineers. For instance, an SDE Civil attached to Palakkad BA is seen utilized as PA to GM instead of Land and building section, which will be apt for utilizing his skill, talent and vast experience.

Your kind attention is invited to the matter and you are requested to bestow your personal attention in reviewing the reposting/redeployment cases of the civil/electrical wing executives who were released/attached to various BAs, case by case and to take corrective actions immediately so that effective utilizations of the highly qualified and experienced executives take place for the betterment of our company as well as to uphold the dignity of the post.

Further we request your goodself to call for option for LA from Civil/Electrical officers to the post of EE/AGM and SDE also to meet the shortages in these cadres and to motivate the officers.

Thanking You,

Sincerely Yours

**Jithesh K P**
