Respected Sir,

Sub: Business opportunity - Work Near Home facilities reg:-

Kerala government is considering work-near-home (WNH) facilities for IT firms to provide office arrangements within the neighborhood of employees, so that office work flows can be maximized with minimum risk to the employee's health.

The net leasing or absorption of office space might fall to 25 million sq ft this year across eight major cities. The requisites are vacant building space, internet connectivity, power supply and easy accessibility, which is perfectly suited to our resources.

This is a rare and golden opportunity for earning a sizeable business in EB as well as real estate of BSNL Kerala Circle. Your personal attention is sought to take up the matter with Government of Kerala at the earliest please.

Thanking You,

Sincerely Yours

Jithesh K P
