Sir

Sub : **Medical Insurance Scheme for BSNL employees – reg.**

As we all know, we are now living in the midst of a pandemic where social distancing to be maintained and public interaction has to be minimal. BSNL, with its nature of business/activity, have to deal with customers, visit their premises, many of which are establishments with large number of employees. Therefore, it becomes our responsibility as dutiful citizens, to take necessary precautions.

Currently there is an insurance scheme in force for BSNL employees, offered by M/s. United India Insurance Co. Ltd. Many employees have availed the scheme by paying the annual premium.

Some employees have requested the management to launch the insurance scheme in the official platform so that participation of employees will be more, resulting in reduction in premium and more benefits to the employees.

With a view to go ahead further in this direction, management is inviting opinions from the Unions and Associations in Kerala Circle whether to proceed with this Medical insurance in the official platform or not. Your opinion may be given not later than 16-11-2020.

Thanking you,

Yours sincerely,

(R. SATHESH)
