**Sub:- JTO induction training – Candidates from Kerala Circle - Preponement of training - Reg.**

**Ref:- SDE(TM) /BRBRAITT Lr. No.TM-27/COL/1/2016-17/51 dtd 28.03.2017 .**

Please refer to the letter cited above announcing the training schedule for the Pre-basic-I, II and Phase-I trainings for the candidates who had qualified from Kerala Circle in the LICE held on 24.09.2016. As per the schedule, the Phase-I trainings would commence only on July 03, 2017. Commencement of the training after July 01 would adversely affect the service requirement of these candidates in the SDE competitive examination at a later date. It may be recalled that 31 candidates who had been declared successful in the same examination whose results announced earlier have already been sent for the Phase –I training from 6-3-2017. Thus, sending these candidates after 01<sup>st</sup> July would lead to unnecessary litigations in future. Hence, necessary action may be taken to prepone the training by one week so that the Phase-I training would commence before July 01, 2017 and residency period for further LICE would be same for both of the people. It is also mentioned that Kerala Circle is facing about 11 court cases in Hon'ble CAT Ernakulam in respect of the JTO LICE for the Vacancy year 2013-14 because some of DR Junior Engineers of Recruitment year 2007 were given training before 30-6-2008 and some others after 1-7-2008 leading to the litigation in deciding the eligibility criteria .Further the result of 139 candidates for LICE JTO Vacancy year 2014-15 could be published only after the disposal of five OAs pending in the Hon CAT Ernakulam.

Hence it is requested to prepone all the trainings so that the Phase-I training commences before 1-7-2017 to avoid litigations in future. **This is issued with the approval of the competent authority.**
