No. 3-34/2016/Estt-IV/ESM

Dated: March 22nd, 2016

To,

All Heads of Telecom Circles

Bharat Sanchar Nigam Limited,

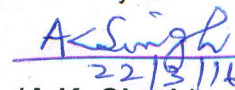

Subject: Counting of past-services of Ex-servicemen for reckoning 7 years of regular service towards eligibility for appearing in LICE conducted in 2013 -reg.

Reference is invited to earlier communication from this office in context of court cases filed by Ex-servicemen for counting of their past services as Ex-servicemen as regular service towards eligibility for appearing in LICE for promotion to the post of JTO which was conducted in the year 2013.

Based on the direction of courts, instructions were issued for provisionally allowing them for appearing in LICE, declaring their result and sending successful candidates for training.

The matter has been reconsidered in this office and I am directed to communicate following decision of the competent authority :

- (i) Past service (i.e. service rendered under Armed Forces) of the ex-servicemen in Group C is to be considered to the extent by which their service falls short of for reckoning 7 years regular service towards eligibility for appearing in LICE conducted in the year 2013.
- (ii) All the TTAs(Ex-servicemen) who have undergone phase-I training may be sent for field training.
- (iii) After completion of field training they may be appointed as JTO against the vacancies for the year 2012-13 as they had appeared in the LICE in 2013 as per the provisions of RRs 2001.
- (iv) Affidavit may be filed in Hon'ble courts that their past services have been considered by BSNL for reckoning eligibility towards regular service for appearing in LICE for promotion to the post of JTO and court cases may be with drawn.
