No. SNEA Pkd/GMT-Gnl/2016-17/1 dtd at Palakkad 01/02/2017

Sub : Withdrawal Of Dies-non letter for the All India Strike on 15/12/2016 reg-

It is intimated that ,as per the call of Joint Forum of Unions and Associations of Executives and non Executives of BSNL a one day Strike was observed on 15/12/2017. One day salary for those who are absent on 15/12/2017 owing to strike was already deducted from the salary for the month of Dec 2016 .

For the strike call on 15/12/2016 only Palakkad BA has issued Dies-non letter to employees without following the procedure and it was quite unwarranted –no other SSA in Kerala Circle even Corporate office has issued Dies-non letter . In this regard it is intimated that normally “Dies-non” letter was not issued to a particular employee on these kind of All India call of Unions and Associations even though pay was deducted (as in the case of April 2015 -2 days strike).

SNEA Palakkad request you to consider this matter very seriously and give instruction to withdraw the dies-non letter already issued .

Thanking You

Your Sincerely

(John Jacob)   
Dist. Secretary, SNEA, Palakkad.
