Sub: Declaration of DR DGM results – our strong protest regarding:

Respected Sir,

When all the cadres are demoralised, no promotion is taking place in any cadres for years together and CPSU Cadre Hierarchy implementation is badly delayed, it is surprising to see that management declared the results of DR DGM examination in which thousands of internal candidates are barred from appearance.

In fact we are pleading for the last few months to scrap the examination already held and the DR DGM RR also and utilise all the 107 vacant DR DGM posts for the promotion from DE to DGM so that experienced and senior Executives will get promotion.

We strongly protest the decision of the management to declare the result instead of scrapping the examination. Such actions will further demoralise thousands of Executives who are waiting for their promotion for years together.

With regards,

(K. Sebastin)
