Sub: Expeditious actions for starting Pre-appointment training of JTOs for the JEs passed the LICE for the vacancy year 2015-16 reg:

Respected Madam,

The third LICE for the promotion from JE (TTA) to JTO for the vacancy year 2015-16 was held on 11.12.2016. The results are also declared few months back. Due to pre-occupation of the training centres for the training of earlier JTO batches and DR-JE training, the training for the newly selected JTOs, not started so far.

However, the training for the DR-JEs completed in the month of June itself. The training for the newly promoted JEs to JTOs was already scheduled but it was postponed citing administrative reasons. All of them are already completed more than 8 years service in the JE (TTA) cadre and eagerly waiting for the promotion. Their precious service as JTO will be counted only after completion of JTO training and appointment as JTO.

In view of the above, it is requested to issue necessary instructions to all the concerned to commence the training immediately without further delay. All the training centres are almost free and well equipped to start the training.

With regards,

(K. Sebastin)
