**Sub: Large number of selected candidates for DR JEs didn't reported – request to go down in the waiting list of JEs candidates in the select panel and fill up all the notified vacancies reg:**

**Respected Madam,**

As per the reports from the Circles, more than 30% of DR-JE candidates allotted to various Circles didn't reported. As a result, large number of JE vacancies remains unfilled in almost all the Circles. During last one year, more than 6,000 JEs passed the LICE and become JTOs and acute shortage of JEs is there in every Circle.

As per the recruitment notifications, there is a provision to maintain waiting list of the select candidates. It is requested to fill up all the notified DR-JE vacancies from the select list itself by going down in the waiting list. From the waiting list, sufficient numbers of candidates may be allotted to each Circle as per the quota allotted to various Circles. This is the only option available to fill up the large number of vacancies created by the recent promotions. It will take more than two years to complete another recruitment process.

**With regards,**
