Sub:- Indefinite strike of Contract labourers – ensuring uninterrupted telecom service -reg

Sir,

It is learnt that majority of casual contract labourers supplied by various agencies across all BAs in the Circle are going on indefinite strike from tomorrow onwards. These contract labourers are being engaged for carrying out daily fault maintenance of wire line network, infra maintenance of telephone exchanges and proper upkeep of major telecom installations in BAs. In many BAs, sufficient contract labourers are not available as well. Hence, in the absence of labourers, it will be difficult to maintain Fault repair system as well as Power plant, AC units; DG sets etc. in telephone exchanges. It is requested that necessary action/instructions may be issued to field BA units for ensuring alternate arrangements for the proper upkeep of at least the major telecom installations to avoid breakdown of telecom services in the Circle.

With kind regards,

Sincerely Yours

T.Santhosh Kumar
