Office of the Chief General Manager  
NWO-CFA Cell  
Kerala Circle, PMG Jn, Trivandrum-695033

To

The PGM/GMT KTM/EKM/ALP SSA  
Kerala Circle.

No. OP/68-30/AMC Genl Corr/2014-16/75 dtd. at TVM the 02.01.2016

Sub:-AMC of OCB and 5ESS switches for the period 2015-16

Ref:- BSNL HQ New Delhi letter No.MMD/117-12/2013/AMC-NT/Main.Vol-I  
dtd.08-07-2014

Recently Kunnamkulam Main exge (DEL capacity 2670<5K) of Thissur SSA has been replaced with 5ESS RSM parented to Vadakkancherry 5ESS main exge. . This is advantageous for BSNL in saving AMC cost as well as operational expenditure.

As per the AMC conditions, even if the DEL capacity is less than 5K(Main+RSUs) BSNL has to pay AMC charges for 5K. The DEL capacity of Kanjirappally Main 5ESS is 2903 and that of Vaikom OCB Main exge is 1140. In Cherthala Main 5ESS exge , the DEL capacity is 5709 and that of Mattancherry OCB ITI Main exge is 5891.

Hence it is requested to check the feasibility for parenting these main exchanges to RSUs/MSUs of other main exges to reduce operational cost especially AMC and infra charges.

A report on feasibility and plan of action by the SSA may be sent to this office by 15/01/2016
