Sub:- Posting of LICE JAO's reg:-

Respected Sir,

We would like to appreciate the initiatives taken by your good office in connection with the JAO LICE Candidates result publication and further taking necessary steps to imparting training to them at RTTC Trivandrum.

The ongoing JAO training will be completed on 19-11-2016 and it is learnt that sufficient vacancies are available at most of the SSA's to accommodate the JAO's who are completing their training on 19-11-2016 except Ernakulam and Trichur SSA's. The officers are happy that most of the posting can be done with minimum inconvenience.

It is understood that vacancies for filling up is decided based on the working strength with respect to sanctioned strength based on old norms. In fact the old norms does not account the present day working of Accounts' wing like marketing, CSCs, OSP, CRC, TR collections etc. In this context we request your good self to consider the revenue earnings of SSAs like Ernakulam also while filling up the posts. Considering the revenue earning capacity of both SSA's EKM and TCR, the vacancies at both SSA's can be increased thereby we can minimize the inconvenience to the officials as most of them are having children of very low age. We are hopeful that our suggestion will be considered so as to boost the morale of the Officers who are entering in to the executive community.

Thanking you,

Sincerely,

(T.Santhosh Kumar)
