Sub:- Resolution passed in the XXIII Circle Conference of SNEA held at Kottayam on 18th and 19th February 2016 reg:-

Respected Sir,

The XXIII Circle Conference of SNEA Kerala Circle held at Kottayam on 18th and 19th February 2016 resolved the following:-

1. To restore Kerala CMTS model dismantled by merging it with SSA by earlier Circle administration. Implement the direction of Corporate office in this regard.
2. ERP may be implemented in its letter and spirit. All paper/file work related to ERP should be discontinued from next financial year and redeployment of staff to field units for marketing and field operations.
3. Instruction to deploy employees on Sunday should be withdrawn as the decision is not beneficial to our company and also consider the shortage of staff.
4. Those who were transferred on long stay during the year 2013 and 2014 may be transferred back to their parent SSA at the earliest.
5. RSTC connections denied by the earlier administration to those who are working in outside HQ may be restored back immediately.
6. OMCR work at Panampally nagar may be completed on need basis.
7. Steps may be initiated to appoint maximum Apprentice under skill development program of MHRD.
8. DCRMS implemented in the Circle is not meeting any purpose , hence the continuance of the system may be reviewed.
9. Transfer back all office bearers and activists of SNEA for participating in organizational activities.
