**MESSAGE**

I am happy to know that this year Vigilance Awareness Week is being observed in Bharat Sanchar Nigam Limited from 26<sup>th</sup> October to 31<sup>st</sup> October 2015, in accordance with CVC instructions. The theme of observing Vigilance Awareness Week is "Preventive Vigilance as a tool of Good Governance".

Good governance is both accountable and transparent in nature. An organization has obligation to report, explain and be answerable to its stakeholders. This can be achieved through the transparent decision making process using modern technologies leading to corruption free organization.

Preventive Vigilance is necessity of any organization to fight against corruption. It not only prevents the disease of corruption from spreading but also suppresses the ill effects of corruption by not letting it happen. All these ultimately contribute in the growth of an organization.

On the occasion of Vigilance Awareness Week, I extend my greetings to entire BSNL family and urge its officers and officials to fight against corruption with full dedication and work for development of organization.
